

Rhyming Word Games

Words Only

Instructions

ABOUT THE GAME

This is a little activity to practice rhyming. This version of the game is for those old enough to read the words.

PREPARE TO PLAY

Print a copy of the two pages and cut out the individual cards. You can use plain paper or print them and glue the cards onto some cardboard to make them last longer. Put the cut-out cards in a bowl, or box, or just in a pile on the table.

HOWTO PLAY

Here are a few ideas for how to use the cards:

Take turns drawing a card and see how quickly you can come up with a word that rhymes with the word on the card. Add one point for each second it takes. Lowest score wins!

Take turns drawing a card and see how many rhyming words you can come up with in 30 seconds. Add one point for each word you can come up with. Highest score wins. You can do this one-at-a-time or draw the card and have everyone make their list of rhyming words as the same time. The longest list wins!

You can make more rules if you want or add more cards with words to rhyme, or see what other games you can create with the cards. Most of all...ENJOY!
