

I remember the time we...

If a dragon flew in here right now, I would...

If I woke up tomorrow morning with a mermaid's tail, I would ...

If I was only one inch tall, I would ...

If I could be invisible, I would ...

My favorite toy is...

My favorite holiday is...

If I had a magic shirt, I would ...

If I could go anywhere in the universe, I would ...

If I was stuck on a little island for a week, I would want to take...

If I could take an animal home from the zoo, I would ...

If a flying saucer landed outside, I would ...

If everyone would do what I told them to do, I would ...

How many sounds can I hear right now?

What food do I never want to eat again?

If I had a robot, what would it do for me?

What do I have in my pockets right now?

What would I do if the room I am in was suddenly filled with jello?

Would I rather be a fish or a bird? Why?

Would I rather be famous or liked by everyone?

What is the most important thing I do every day?

What is one thing I learned today?

If all of the stores closed, where would I get my food?

One time I was really scared was...

What does it mean if someone is "brave"?

What is something that makes me unique or special?

What is the absolute best thing to eat for breakfast?

If I was the principal of the school or the boss of my company, what is one thing I would do differently today?

Would I rather live in a cave or on a mountain top?

If I could give one thing to every person in the world, what would it be?
